

EcoVision 2025 Workshop

(Shediac, Beaubassin-est, Cap-Pelé)

You are invited to participate in a workshop on the implementation of the environmental actions identified during the development of the Ecovision 2025 strategy.

Date: Monday, June 18, 2018 10:00 am to 4:00 pm
Location: Shediac Multifunctional Centre
Free Admission - Lunch included

This will be a hands-on workshop for those interested in rolling up their sleeves and getting things done. We will work together to move various actions ahead. This workshop is not a public education meeting.

Follow this link to register before Thursday, June 14
