

## *Improve Wastewater Management Sub-committee*

*Members: Andy Malolepszy  
Ron Maillet*

*November 16, 2022*

1. The Greater Shediac Sewerage Commission Five-Year Plan 2021-2025
  - Infrastructure improvements,
  - Extension of existing services
  - Elimination of infiltration
  - Wastewater treatment plant upgrades

Actions:

2. Improve the maintenance of on-site septic systems
  - 
  -
3. Education program for Local Service Districts and private landowners
  - 
  -
4. The two marinas will continue to subsidize their sewage disposal stations
  - Tracking and reporting on the use of the sewage disposal services should be done annually.
  - Leads: Shediac Bay Yacht Club, and the Pointe du Chêne Harbour Authority
  - Partner: Blue Flag initiative sky
